

GREEN STUFF DAY CAMP 2011

▶ Explore plants from around the world! Discover where they live, how types differ and why. Investigate in a different part of the Garden every day!

▶ Learn the amazing adaptations that allow plants to survive in places from dry desserts to wet bogs. Be amazed by insect eating plants with traps!

▶ Discover how people around the world use plants in a myriad of ways. Make your own arts and craft creations from plants!

▶ Taste foods from our Crops of the World Garden.

Delight your senses with fragrant herbs, sweet fruits, and sour sorrel!

▶ Experiment with growing plants from seeds and take your garden home!

▶ Enjoy Garden animal searches with birds, lizards and newts!
