

Celebrate Honor Remember

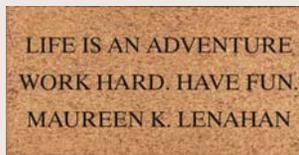

Tribute gifts are an enduring way to honor cherished friends and family and to recognize special occasions. We are designating a square on our tribute plaza in honor of the UC Botanical Garden's 125th anniversary to be filled with commemorative bricks. Establish a lasting remembrance with a tribute brick and become a part of this important Garden milestone.

A gift of \$1000, \$1250 or \$1500 provides an 8" x 8" brick with up to 6 lines of text and 20 characters, with options for graphics.

A gift of \$500 provides a 4" x 8" brick with up to 3 lines of text and 20 characters per line.

For more information and assistance with dedicating a brick, please contact the Garden's Development Department at 510-664-7969.
